Acquiring Books

You can file requests for the Library to order books on SmartPoint in Administrative Services list. All teachers and staff members of HSE Moscow campus can use it, with the exception of ICEF and GSB staff. We buy printed books from foreign publishers 2 times a year and announce the due dates for submitting requests via email. If you would like to buy a book from a Russian publisher, please note that we buy them systematically throughout the year as the applications roll in. If you have any questions regarding the new service, please contact Elena Shukshina at eshukshina@hse.ru.

Refer all questions regarding book acquisition for ICEF Library to Irina Petrova at ipetrova@hse.ru. All questions regarding GSB book acquisition should be send to Elena Kosareva at ekosareva@hse.ru.

We subscribe to periodicals once a year. If you have any questions about this process, contact Ekaterina Solovieva at solovyeva@hse.ru.

If you want to learn more about electronic subscription, please contact Vladimir Pisyakov at pisyakov@hse.ru.

A decorative border of colorful circles surrounds the central text. The circles are arranged in a grid-like pattern, with colors including blue, green, purple, orange, and yellow. The circles have a slight shadow, giving them a 3D appearance.
