Не хотите пропустить новый выпуск любимого журнала?

**Просто включите уведомления.**

Вам будут сообщать о том, что происходит с журналом, и присылать статьи по интересующей вас теме\*.

\* Настройки уведомлений могут несколько различаться в зависимости от выбранной базы данных.

Рассмотрим варианты уведомлений по электронной почте на примере полнотекстовой базы данных журналов **Oxford Journals**.

# ВАРИАНТЫ УВЕДОМЛЕНИЙ

**Уведомление о новых выпусках** выбранного вами журнала.

Электронное письмо о выходе нового выпуска с перечислением всех опубликованных в нем статей.

**Уведомление об активности статьи.** Электронное письмо с указанием добавленных комментариев, изменений количества цитирований, появлении исправлений и опровержений.

**Уведомление о препринтах.** Электронное письмо о выходе статьи, принятой к публикации в журнале, но еще не размещенной в конкретном печатном выпуске журнала.

# ВАРИАНТЫ УВЕДОМЛЕНИЙ

**Уведомление о результатах поиска.** Электронное письмо о публикации каждого нового материала, соответствующего вашему условию поиска. Например, выбрав тему из предметной рубрики, вы будете получать уведомления о появлении новых статей на эту тему.

**Уведомление о цитировании.** Электронное письмо о цитировании выбранной вами статьи. Возможна настройка только в некоторых базах данных, например, на онлайн-платформе издательства Taylor & Francis.

Published: 23 December 2020

- The Cambridge Journal of Regions, Economy and Society publishes multidisciplinary international research on the spatial dimensions of contemporary socio-economic-political change. The Journal adopts a focused thematic format. Each issue is devoted to a particular theme selected by the international editorial team. The aim of the Journal is to understand the formative changes and developments associated with the new spatial foundations of today's globalising world. It also examines how changes in the global economy are playing out across different spatial scales. Each issue is prefaced by an introduction from the Editors on the topic covered. Authors are encouraged to engage with the public policy implications of the issues they address. The Journal is keen to encourage articles from a diverse range of theoretical perspectives. Within this remit the Journal will publish papers that include one or more of the following:
