Секреты Python Pro
Д. Хиллард
2021
печатная книга

Код высокого качества – это не просто код без ошибок. Он должен быть чистым, удобочитаемым и простым в сопровождении. Путь от рядового питониста к профи не прост, для этого вам нужно разбираться в стиле, архитектуре приложений и процессе разработки. Книга научит проектировать ПО и писать качественный код, то есть делать его понятным, сопровождаемым и расширяемым.

Der Platonismus in der Antike. Bände 1-8
1987-2020
printed book

This collection of source material sheds light on the history of ancient Platonism. For the first time, this important evidence of western civilization is being presented as a whole. The texts are followed by a translation as well as a comprehensive commentary which makes the material accessible in an explanatory analysis.

Graphic News: How Sensational Images Transformed Nineteenth-Century Journalism
A. Frisken
2020

Amanda Frisken examines the ways sensational images of pivotal cultural events – obscenity litigation, anti-Chinese bloodshed, the Ghost Dance, lynching, and domestic violence – changed the public's consumption of the news.

**Мировая торговая система:
вызовы XXI века**
А. Портанский
2021
печатная книга

В центре внимания монографии – настоящее и будущее многосторонней торговой системы (МТС) и мировой торговой системы в целом. За послевоенный период МТС достигла безусловного успеха, вершиной которого явилось создание ВТО в 1994 г. Однако в XXI в. ВТО оказалась в состоянии глубочайшего кризиса, причинами которого стали не только накапливавшиеся годами проблемы, но и вызовы нового характера.

**Raya Dunayevskaya's Intersectional
Marxism: Race, Class, Gender, and
the Dialectics of Liberation**
edited by K.B. Anderson, K. Durkin, H.A.
Brown
2021
printed book

Raya Dunayevskaya is one of the twentieth century's great but underappreciated Marxist and feminist thinkers. From her account of state capitalism (part of her socio-economic critique of Stalinism, fascism, and the welfare state), to her writings on Rosa Luxemburg, Black and women's liberation, and labor, we are offered indispensable resources for navigating the perils of sexism, racism, capitalism, and authoritarianism. This collection of essays, from a diverse group of writers, brings to life Dunayevskaya's important contributions.
