

## How to Install Remote Access Extension to Use HSE Library Electronic Subscription

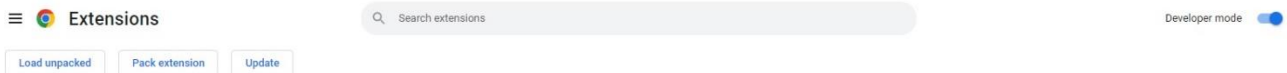

1. Download the extension here <https://elib.hse.ru/proxyLibrary/proxyLibrary.zip>.
2. Unpack it using an archive tool

3. Launch Google Chrome.
4. Open Chrome's menu by clicking three vertical dots in the right upper corner.
5. Go to "More tools" > Extensions or enter <chrome://extensions/> to the search bar

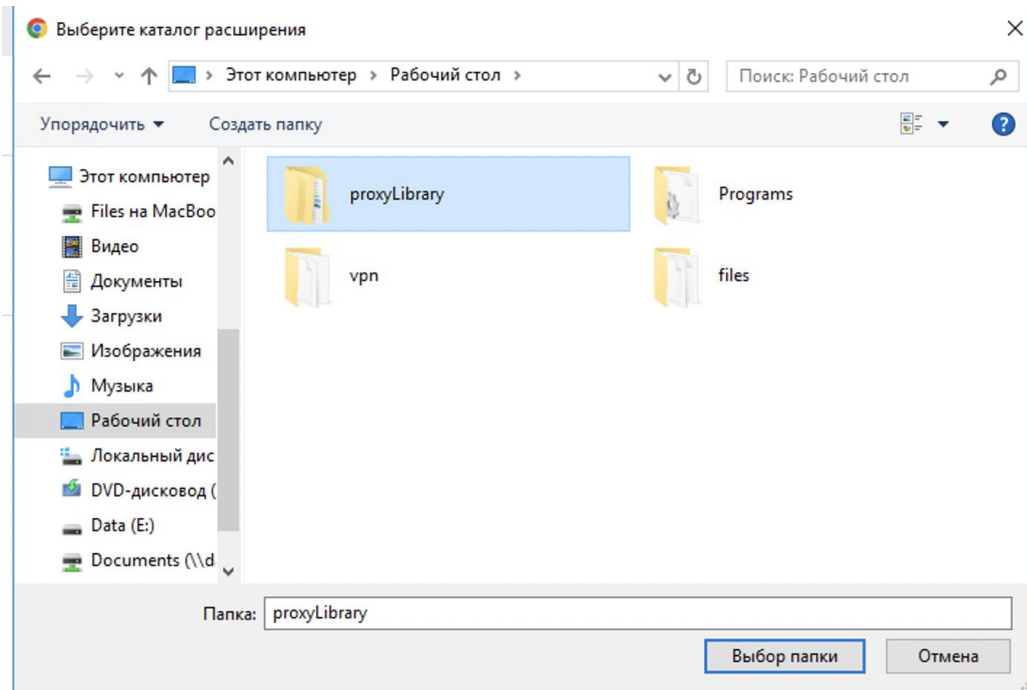

6. Switch on the developer mode on the “Extensions”

7. Click “Load unpacked”

8. Find the unpacked folder with proxyLibrary extension and browse folder path

9. All done!

10. Make sure you launched the extension

11. If one of the resources is not accessible or is not displayed correctly, try clearing your cache:

- click the three dots in the right upper corner
- choose “More tools”
- choose “Clear browsing data”.
